

# PAISTE

«If sound was a color these cymbals would be a supercharged rainbow. Hit 'em, hear 'em and feel the joy!»

# POWER SLAVE

Since Nicko McBrain joined the British top metal band Iron Maiden almost 30 years ago, he has been respected worldwide as one of most celebrated and influential rock drummers. His long standing loyalty and dedication moved Paiste to honor Nicko with a special "Boomer" edition of the successful Alpha series, which will satisfy not only die-hard Nicko fans. The Boomer cymbals sound concept is clearly defined: Rock, Hard Rock and classic Heavy Metal.
